**Coverage**

---

**Subject to the terms and conditions set forth in this warranty certificate.  
Michigan Aluminum Corporation warrants that the painted aluminum coil and gutter accessories identified in this certificate and on the attached warranty registration card and installed on the property identified in this certificate and on the attached**

warranty registration card will not peel, check, chip or crack (except for such crazing or slight cracking as may occur tightly roll-formed edges, brake bends or severe embossing, and which is accepted as standard) for a period of twenty (20) year from the date of original installation, subject to the proration provision.

## **Defect Communication**

---

If your painted aluminum gutter or gutter accessories exhibit a manufacturing defect covered by this warranty, write to Michigan Aluminum Corporation Warranty Services Department, P.O. Box 42, Wayland, Michigan 49348 or call 1-800-358-8128, describing the defect and providing your name, property address, date of installation and copy of this certificate. Michigan Aluminum will, at its option, refinish, replace, repair or refund the purchase price paid for the actual defective material. Michigan Aluminum will perform its obligations under this warranty, weather permitting within 120 days, but no more than 180 days after receipt of notice of defect. Additionally, Michigan Aluminum reserves the right to inspect gutters or gutter accessories claimed to be defective within a reasonable period of time after it receives your claim.

## **Conditions not covered by the warranty**

---

This warranty does not include installation or defect occurring as a result of installation. It covers only the specific manufacturing defects described herein and excludes any other damages or material failures including, but not limited to, failure to provide normal maintenance and cleaning: damage resulting from accident or casualty, acts of God, vandalism or wind-blown objects: or damage caused by corrosive or aggressive atmospheres such as those contaminated with chemical fumes or salt spray either directly applied or in the atmosphere. Uniform fading and color change are not covered by this warranty, since normal weathering and the normal aging process will cause any colored surface to fade, darken, chalk or acquire a surface accumulation of dirt and stains. The severity of these conditions depends on air quality, the geographic location of your property and other local conditions over which Michigan Aluminum has no control. Normal weathering is defined as exposure to sunlight and extremes of weather and temperature. Non-uniform fading and color

change resulting from unequal exposure of the painted aluminum gutter to the sun and elements are not covered by this warranty.

## **Warranty remedy**

---

Michigan Aluminum Corporation will be responsible for the cost of refinishing, or repairing, defective material or for the cost of replacing defective material or, where applicable, for a refund on the following prorated basis: during the first year, 100%; for each succeeding year through the fifth (5<sup>th</sup>) year. Michigan Aluminum's obligation will decrease ten (10) percent per year; during the sixth (6<sup>th</sup>) year and each succeeding year thereafter, through the fourteenth (14<sup>th</sup>) year. Michigan Aluminum's portion of such costs will be reduced by five (5) percent per year, and during the fifteenth (15<sup>th</sup>) through the twentieth (20<sup>th</sup>) year. Michigan Aluminum's portion of such cost will be ten (10) percent.

Any implied warranty of fitness is limited in duration to the period of this warranty. Some states do not allow limitations on how long an implied warranty lasts: there-fore, the above limitation or exclusion may not apply to you. This writing contains the entire agreement between Michigan Aluminum Corporation and the owner and excludes all other warranties from other persons such as contractor or applicators.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation of exclusion may not apply to you. This writing contains the entire agreement between Michigan Aluminum and the owner and excludes all other warranties from other persons such a contractor or applicators.

This special limited warrant is applicable to painted aluminum gutter and gutter accessory installation in the fifty (50) United States and the District of Columbia.

Michigan Aluminum Corporation reserves the right to discontinue or change any painted aluminum gutter product line. If for any reason the painted aluminum gutter originally installed is not available at the time of the defect and Michigan Aluminum elects to replace the defective painted aluminum gutter or gutter accessory, Michigan Aluminum will have the right to substitute with painted

aluminum gutter or gutter accessories determined by Michigan Aluminum to be of equal quality and price.

### **Who is covered by this warranty**

---

This warranty is extended to the original owner upon installation and to no one else.

### **Warranty registration**

---

This is valid only after the registration card herein attached is completed by the contractor and the owner and mailed to Michigan Aluminum within thirty (30) days after the completion of the installation. Failure to do so will relieve Michigan Aluminum Corporation of all obligations hereunder.

The attached Warranty Certificate should be completed and signed by the contractor and the owner of the painted aluminum gutters formed or shaped from Michigan Aluminum Corporation painted aluminum coil and gutter accessories. Mail to Michigan Aluminum Corporation after installation has been completed.
